## Woodstock Film Michael Wadleigh Maurice Bob

**remembering the dangers of rock and roll: toward a ...** - michael wadleigh's 1970 film woodstock, and albert and david maysles's 1970 documentary classic gimme shelter are valuable texts because they offer a read-ing that potentially chronicles the haz-ardous "effects" of rock music on festival attendees. that is, these documentaries help point up the trace of a narrative that spins this tale. conversely, a third film, d. a. pennebaker's monterey pop ... **woodstock - three days of peace and music 1969 - cd1** - director michael wadleigh worked with over 300 hours of footage to create his original 225-minute director's cut, which was cut by 40 minutes for the film's release in 1970. eight previously edited segments were restored in 1994, and the original director's cut of woodstock is now the version most commonly available on videotape and dvd. the film deservedly won the academy award for best ... **topic page: woodstock festival - searchedreference** - festival and were documented by michael wadleigh's three-hour film, which grossed five million dollars a month in its first five months of release, and a best-selling live recording. the desire to recapture the transient sensibilities of woodstock in the 1990s collided with the point of view of a distinctly different **woodstock series - colgate** - dir. michael wadleigh, u.s., 1970, 225 min., dvd (40th anniversary edition, 2009) september 4 "we are stardust billion year old carbon we are golden caught in the devil's bargain and we've got to get ourselves back to the garden..." joni mitchell, "woodstock" 1969 was a year unlike any other. man first set foot on the moon. the new york mets won the world series against all odds ... **"homo sapiens report, the future of humanity"** - michael wadleigh has directed-written-photographed over a hundred documentaries, including the academy award winner woodstock and feature films such as wolfen, the groundbreaking international prize winning ecological thriller. **"h aie e, he f e f haiy" - lsbu** - michael wadleigh has directed-written-photographed over a hundred documentaries, including the academy award winner woodstock and feature films such as wolfen, the groundbreaking international prize winning ecological thriller. **the portable recording studio: documentary filmmaking and ...** - palmer i@j vol.6 no.2 (2016) 50 introduction when documentary film director michael wadleigh and his crew of camera and sound technicians endeavoured to capture the woodstock music and arts festival **toward woodstock : structural transformations in the rock ...** - of these motifs reached a utopian crisis in woodstock (michael wadleigh, 1970). keywords: rock 'n' roll, rock 'n' roll cinema, film musicals, woodstock, counter-culture i'm going to give a short sketch of the thematic and structural transformations **aka (titel des director's cut): woodstock: three days of ...** - am ende nahmen etwa 30 kamera- und tonleute rund um michael wadleigh eine unmenge film auf, sowohl vom geschehen auf der bühne wie auch dem daneben, dahinter und vor allem davor.
